"THE GREAT AMERICAN READ is an eight-part series that explores and celebrates the power of reading, told through the prism of America's 100 best-loved novels (as chosen in a national survey). It investigates how and why writers create their fictional worlds, how we as readers are affected by these stories, and what these 100 different books have to say about our diverse nation and our shared human experience."

Vote online at the PBS website (nationwide) or come in to the library and vote and we will decide our own favorite! You can view the list of books online or at the library.

**A message from our director:**

Hello All,

Next month, I will have been here a year. Our community is so welcoming and caring. We have been very busy this year. My staff is wonderful but everyone knows this. There have been many changes as we try to utilize our floor space more efficiently. We have moved DVDs, the teen area, biographies, reference, and so much more. Lots of purchases have been made for adults, teens, and children. Our programs have expanded. How do you like our new newsletter and Facebook page? Please like us! All our computers are brand new and we now have Chromebooks in addition to laptops as well as a new copy machine that's also a scanner. Just wait until you see what we have in store for the summer and for the next year. Let us know how we are doing and what you would like to see happen here. I really do want to know!

Thank you,

Anne Hogya, Library Director
