Clymer Library Annual Fund Drive has reached \$10,000!

As fall turns to winter, please consider making the Clymer Library part of your year-end charitable giving with a tax-deductible gift. We are here for you, your family, and your neighbors, but we need your help. Any amount you give will help us continue to provide educational and recreational materials and programs for adults, teens, and kids. You can donate online through our website, via mail, or in person by cash, check, or credit card using the fund drive donation form available on our website and at the library. Thank you for your support!

Our Director's Update

Hello Everyone,

Autumn brings changes and so does Clymer Library. You can't imagine how busy we have been at the library. We have a new HVAC system, and we are warm! The new lighting is wonderful. It feels like a sunny day inside. The carpeting and flooring will be finished by the time the newsletter is in print. It is so beautiful and helps to expand our space. You have to come to see everything. The final step will be the painting. Our space was always beautiful, but the changes are terrific.

We also have new STEM equipment not just for the children. Our **OneScreen** is up and ready for its many uses. We can video conference with two cameras, tie in 50 computers for collaboration, and use it as a computer with multiple HDMI ports. We cannot wait to schedule programs around it.

Try out **hoopla** with streaming video, immediate downloadable eBooks and audio books for all ages, online magazines, and all the great electronic resources we have on our website. Such an easy sign up and it follows your email.

~Continued on Next Page~

Emergency Closings:

Throughout the year, the library may be closed due to weather. Our closings will be dependent on the Pocono Mountain School District's schedule during these times. Watch your local news station for a listing of closings. If the school district is delayed, we will make every attempt to open for normal hours, but we may experience a short delay. **We will update our Facebook page with all closing and delay info.** Safety is our priority for everyone. Thank you for your understanding.

Wanted: Teen & Adult Volunteers!

Teens, colleges want to see volunteer hours! Shifts are 2-3 hours each. Staff will train you. If you can work any time from 10-5 on Mondays, Wednesday, Fridays, and Saturdays, and from 10-8 on Tuesdays and Thursdays, then call the library and ask for Diane, or stop in at the circulation desk and ask for an application.
